

Kingdom

BUILDERS

Hello Church Family,

Stephanie and I are so incredibly humbled and grateful to see what the Lord has done this past year through the lives of each one of you.

We are excited to celebrate the generosity for Kingdom Builders giving in 2022, this was the largest giving year in the history of our church. It is no surprise to see what a church can do when they are united in vision to accomplish a goal. We are so very thankful to see the vision that God laid on our hearts to church plant in not only our city but across the world taking root through your generosity in giving to Kingdom Builders. The Lord is glorified through our obedience and generosity to give into the Kingdom of God together!

As we begin this year, the vision remains crystal clear. We are pressing on to Finish the Race by seeing a church planting movement that cannot be contained within our communities. We see a movement that multiplies into the streets, across borders and throughout the world helping friends of all nations, tribes, and tongues become devoted followers of Jesus! The Holy Spirit has been consistently reminding us with these words, "Jesus sets the race and our giving sets the pace." We are eager to see the pace accelerated by the generosity of a church whose eyes are seeking first the Kingdom of God and praying desperately for all those who are lost to find home.

As a leadership team we prayerfully choose strategic Kingdom Builders projects that align with the mission and vision of our church. We know God is never constrained by geography, language or politics. His singular mission requires direct engagement in both global and local projects with a heart and mind towards the future. In the pages that follow you will see how God is leading us to be Kingdom Builders both here and there through specific global, local & future projects.

Again, we are so very thankful to our church family across all of our campuses because your generosity and obedience is advancing the Kingdom of God around the world!

May the Lord richly bless each one of you in 2023,

John VanLan
GFC Senior Pastor

Kingdom BUILDERS

KB is an outlet to extend our reach, individually and as a church, to help further the Kingdom of God not only in our community, but literally around the world. Together, we can make a global impact to help those in need.

Pray

Begin by prayerfully asking God what role He would have you play in Kingdom Builders in 2023. Ask God to give you a passion for His Kingdom. Take time to listen and respond.

Plan

Decide how God has called you to participate. Make a plan to give as soon as you can and as much as you can. Set time aside to pray consistently for the Kingdom Builders Ministry Partners and pray how He would have you give.

Dream

Take a step back and ask God to give above and beyond. Begin a journey of faith that would leave an opportunity for God to do the supernatural in your life, heart, and your finances.

Be a contributor. Be a supporter.

Be an investor. Be a Kingdom Builder.

The place to start is here and the time to start is now.

MAKE A *Plan*

Once you have made your plan, scan the QR Code to fill out the Kingdom Builders Commitment Card online.

EVERY GIFT MATTERS

While there'll be hundreds of people giving to Kingdom Builders in 2023 remember—every gift matters to God. It's not the size of the gift, but the obedience to God's voice that matters most. Whatever amount you decide to give—plan or dream—it's your **YOUR FAITH GOAL**, the amount you are committing to GOD to give.

FREQUENCY	AMOUNT	TOTAL
Weekly	_____ x52	_____
Bi-Monthly	_____ x26	_____

CENTRAL

EURASIA

Cutting the Frontier

Eastern Central Eurasia (Kazakhstan, Kyrgyzstan, Uzbekistan) is filled with soaring ice-covered mountains, rolling plains, large cities, tiny villages and over 60 million people. The great majority of these people have never heard the gospel message and likely have never even met a Christian. These countries are so unreached because they are hard places to live and hard places to get long-term visas to. In order to reach these unreached places, the traditional missionary methods won't work. A successful method, is through starting businesses. Through our business, a language school, we meet a need in our adopted country. This not only allows a team of church planters access to the community, but will allow new missionaries a place to learn language and culture before they are launched out into church planting themselves. This business will be a gateway for church planting in Eastern Central Eurasia.

Our vision is to catalyze a church planting movement. This will be accomplished through the power of the Holy Spirit leading and guiding us and your generous giving, as we share the Gospel, find people of peace, and disciple believers who will disciple others.

FUTURE

"The things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also."

GSM FUTURE *Leaders*

The mission of Gateway School of Ministry is to prepare the next generation of church planters to share the good news of Jesus Christ with the world's lost and hurting people. Graduates of GSM are in leadership positions both within our global network of churches and globally as missionaries. Without your generosity, this would not be possible.
