ADVENTURE KIDS

March 2026

Here’s what has happened in the last month and what’s to come!

Hello leaders!! Another great month in Adventure Kids has come to an end, but not before we celebrate the amazing things God has done. Our kids learned about seeds and how they are important for so much more than just growing plants- they remind us how faith grows in our hearts. We witnessed wonderful moments of learning and spiritual growth, and I am so grateful for everyone who helped lead and pour into our kids this month.

We saw some of our young friends take the incredible step of baptism, and even more are asking questions about how to grow closer to God. That is exactly why we do what we do- to create space for hearts to encounter Him, to nurture faith like seeds being planted, and walk alongside our kids as they grow in their relationship with Jesus. What a joy it is to witness it. 😊

I’m also excited to share that a family told me they chose to make Gateway their home because of the lessons and the partnership Adventure Kids has with parents to help their children become devoted followers of Jesus. And here’s the beautiful part- I’m happy to announce that the dad was baptized!! 🙌

What a powerful reminder that when we invest in children, God moves in entire families.

We celebrate life change and give Him all the glory! ❤️

"And then all people will see the salvation send from God." Luke 3:6
